

July 21, 2009 - Abstract accepted for ECCO 15 - 34th ESMO Multidisciplinary Congress

Cancer Advances announces the abstract entitled "Immune response to gastrin-17 is an independent covariate for survival in colorectal, gastric and pancreatic cancers" has been accepted for poster presentation at the ECCO 15 - 34th ESMO Multidisciplinary Congress. The joint meeting between the European Cancer Organisation and the European Society for Medical Oncology takes place September 20-24, 2009 in Berlin, Germany. The abstract will be published in the ECCO 15 - ESMO 34 Abstract Book with the European Journal of Cancer Supplement. Representatives of Cato Research and Cancer Advances will be attending this conference and presenting on this topic September 23rd, 2009.
